REPORT

**CAPITAL AREA NA H&I SUBCOMMITTEE**  
**CHAIR'S REPORT TO ASC: June 7, 2020**

Hello Family! I pray this report finds everyone in good health and safe recovery.

Thank you for the opportunity to serve this Area the past year as Chair of the Capital Area of NA's Hospitals & Institutions Subcommittee. It has been my honor and privilege to serve you and the hospitals and institutions we service. I have met fantastic people, learned a lot and hopefully grown as a result in my recovery.

As a subcommittee, we have accomplished many goals we set forth in our agenda for the 2019-2020 year, including the completion and implementation of a local Capital Area H&I Subcommittee Policy, doubling the number of participating panel leaders and panel members, setting up an H&I Learning Day, streamlining many facility meeting presentation procedures, and successfully systemizing and organizing many internal administrative functions. I am proud to have been a part of our H&I subcommittee this year, and hope to contribute to its continuing success in the future.

As the Covid-19 pandemic continues, H&I is creatively carrying the NA message into multiple therapeutic facilities and community, so that any addict seeking recovery can receive the lifesaving message of Narcotics Anonymous. I encourage and thank NA H&I panel members for insuring that these virtual meeting presentations continue on a weekly basis.

I welcome Leah P., our incoming elected H&I Subcommittee Chair. I believe she will serve us well, and I pray we support her in service with the patience, love, and intention every trusted servant deserves.

In loving service,  
Stephanie G., Capital Area H&I Subcommittee Chair

# OUTREACH REPORT

6/7/2020

## Outreach Report June 2020

Thank you for allowing me to serve over the last year as your Outreach Chair. It's been a privilege being able to visit various groups and meet so many people in the course of my duties. Our area has certainly grown together as a result of the recent events, and hopefully will continue to come together as one in the future. This is, after all, a we program.

Over the past few months it's become increasingly obvious that Outreach has a critical job in our area. So many meetings are changing their status due to the ongoing issues- and many of them are not updating the web servant of their current status- virtual, in person, or not at all. This unfortunately has led to a largely unreliable meeting list- as many of the meetings on it are not listed correctly. Hopefully, we can get the word out to have homegroups contact the web servant ([admin@capitalareancna.com](mailto:admin@capitalareancna.com) or [the contact page](#) on our website) to give us the most up to date info regarding how and where they are meeting. This would cut down significantly on the work required to check in with the other groups to get their current status. To get this done, we'll send out an email to all of the GSRs and also an eblast and text blast. Please share this information with any groups you visit, and hopefully we'll get our list as up to date as possible.

I'll stick around for a couple months to hopefully get this up to date, as well as keep this position occupied, but I do not intend on keeping this position for next year. I think it's important to give someone else the opportunity to try it out!

Thank you for letting me serve,  
Andrew  
Outreach Chair

# POLICY REPORT

Hello. This is my final report.

#### Past 30 days

- No policy updates.
- No printed policy manuals until CASC meets in person again.

#### Past year

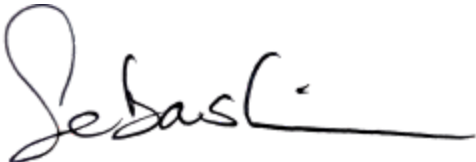

- I'm proud to say that in the past year the [Capital Area Policy Manual \(click\)](#) was brought up to date after a 2 ½ year lapse, and was kept up to date throughout the year.
- Policy played an active role throughout the year during and in between CASC meetings, including but not limited to assisting the executive body and other subcommittees.
- I'm thrilled that others have taken interest in policy, and I hope that Richard J. will be voted in as Policy Subcommittee Chair position. I'm confident he'll serve our area well in this role, and I'm leaving you in capable hands.

#### Other highlights

- I believe that having an up to date policy to refer to allows the our service committee to serve in a consistent manner, and to take advantage of the wisdom of home groups who have served before us - and I think we all saw this in play over the last year. It's been a privilege to be of service in helping our area achieve this.
- It's been a privilege to serve during COVID-19. I really don't have the words for it, but the way the outgoing committee came together was *really* amazing and uplifting.

On a personal note, when I started serving on the Policy Subcommittee 18 months ago it was because another home group member suggested we stop wasting time talking about what we didn't like about what the area service committee was doing, if we weren't willing to get directly involved. Since that time 7 members of that home group have served on the area service committee including myself. I have a terrible fucking track record with area service over the years, until now. I've completed my commitment and made the most of the opportunity to contribute to the service committee's purpose of extending the reach of home groups to carry the message to the addict who still suffers. What I've learned is that when NA members get involved *and* keep the spirit of service in focus, good things can happen - and when they don't it has the opposite effect.

Signed,
