# CASC H & I Chair Report

## **September 2021**

**September 13, 2021**

Dear CASC,

H&I has been meeting its primary purpose over the last month. Presentations were successfully brought into wake brook and triangle springs for all their assigned slots. We are having difficulty finding volunteers to go into wake med Sundays at 7pm. I will reach out to the contact person for wake med (thanks Stephie) to see if I can set up a virtual meeting instead of in person, as this may lend to more people being willing to take that presentation “into” that facility. I will also be setting up a zoom account so that H&I can do orientation at 12pm and meet as a subcommittee at 12:30 on October 3<sup>rd</sup>.

In loving service,

Kelly T.

RCM Area Report

I have nothing new to report but I have attached August report that I don't see in the minutes from last month that I submitted. I have also attached reports that were sent out from NC Region recently. October 23<sup>rd</sup>, 2021 will be the next regional meeting.

In Loving Service,

Michele M

## RCM Area Report

On July 24<sup>th</sup> I attended the NC Regional Meeting along with Elizabeth. It was a long but great experience. It is encouraged that we visit <https://ncregion-na.org/> for upcoming events for our region. The World Service Office has been hit very hard financially and in fact have struggled to keep running and are using reserve money to operate. The board has been meeting monthly to discuss this because it is a unified issue for all of Narcotics Anonymous. NC region donated 75% (\$860.42) above the prudent reserve of \$5,000 to the world. The other 25% (\$286.58) above prudent reserve goes to Zonal Task Force.

Region Convention Committee is in need of support please contact Ron (240) 938-4032 if you would like to do service on a regional level a lot of positions are open.

There were two votes that took place. It was voted to host a hybrid meeting for the next regional meeting on October 23<sup>rd</sup>, 2021. It was also voted to set up Cash App to allow groups to donate through the website. They will still accept checks in the mail although some checks are not reaching the treasurer. They received ours.

In Loving Service,

Michele M

\*(Zonal forums are service-oriented sharing and/or business sessions that provide the means by which NA communities can communicate, cooperate, and grow with one another. Although not a part of NA's formal decision-making system, world services and zonal forums interact in many ways. Zonal forums are invited to provide reports on the floor of the World Service Conference and, when requested by the conference, may also answer specific questions or address the body. In order to improve communications, they are provided with conference participant mailings and are requested to send their minutes to world services. World services typically attends zonal forum meetings, and may provide funding for some participants' attendance at zonal forums. Maintaining effective communication between the zonal forums and world services is a high priority. In order to more effectively serve the fellowship, world services and zones should develop a partnership for the planning and conducting of the worldwide workshop system, and by assisting each other in the coordination of a variety of service efforts such as professional events and fellowship development activities. — A Guide to World Services in NA pgs. 1-2

**Outreach Subcommittee Charter - CASC Policy section 3.04(f)**

**Outreach Subcommittee**

To assist in carrying the NA message to the still suffering addict, thus supporting the continuing growth and unity of the fellowship. It is suggested that additional information about the Outreach Subcommittee may be found in applicable World Service and Regional Service documents. The Outreach Subcommittee will carry out its function and purpose by:

- (i) Acting as a resource and a coordinator in reaching out to: Loners, isolated groups, Loners and isolated groups in institutions and struggling groups.
- (ii) To locate isolated members, groups, or meetings and to provide these members, groups and meetings with information about NA and its service structure.
- (iii) To reach out to groups that have not been attending CASC meetings on a regular basis and to encourage participation through education. If a group does not have a representative at a meeting of the CASC during an entire quarter, the Outreach Subcommittee will personally deliver the group minutes in an attempt to address any problems that the group may be experiencing.
- (iv) To provide orientation, group packets and CASC Policy Manuals to new GSRs.

**Where we could use some help**

If you would like to observe or participate in CASC Outreach, please contact Sebastian D. at (919) 627-7607.

- **Help** verifying our meeting list ([www.capitalarea.org](http://www.capitalarea.org)), and reporting inaccuracies.
- **Help** visiting loners and loner groups on a recurring basis, in-person and virtually.
- **Help** finding a candidate to chair Outreach for the 2022/2023 term (maybe this is you?!), so they can start learning the position now.

**Last month**

- Finished verifying 82 meetings that were on our meeting list as of when I took this service position (7/11/21), by finding and contacting home group members, calling facilities, and visiting in-person or virtually.
- Coordinated w/web admins to update Capital Area NA meeting directory. There are now 48 verified meetings in our area (down 34 meetings since 7/11).

- Created a printable meeting directory as requested by GSRs at the 8/11 CASC meeting, w/QR code and prominent instructions to call Capital Area NA or visit online for the most current list. New format handles virtual and hybrid meetings, but is not fully automatic.
- \$0 spent / \$35 under budget for the month. No GSR handbooks or copies of policy were printed, because some were still left over from last month.
- Reviewed Outreach subcommittee handbooks from other areas and regions, and reached out to NC Region NA.

**Goals for next month**

- Review Outreach Subcommittee guidelines and GSR handbook, and start updating if applicable.
- Print 500 meeting lists for approximately \$75, and work w/GSRs and subcommittees to get them printed lists.

**Overarching Goals for 2021-2022**

- ~~Support home groups in transitioning back to in-person.~~
- Mentor others in Outreach Subcommittee roles, and recruit 2022-2023 Outreach Subcommittee Chair.
- Update Outreach Subcommittee guidelines and GSR Orientation Packet.

Sincerely,
