- ASC Purpose

“Workhorse” of the service structure—maybe that’s the best way to describe the area service committee. Most of the hands-on work of delivering NA services to the groups and the community occurs at the area level. Area service committees are ultimately responsible to the groups they serve. Narcotics Anonymous groups send group service representatives (GSRs) to serve on the area committee. While still maintaining final responsibility and authority for area services, they invest enough delegated authority in their GSRs—and through them, in the area committee—for the necessary work to get done. NA groups also send money to the area committee, money needed to coordinate panels, maintain phonelines, and conduct public information activities. Through their contributions of money and manpower, the groups exercise both their responsibility and their authority for NA services.

- **Welcome**

- Anyone to add to email notifications list:
 - *No one at this time*
- New Home Groups
 - *No new homegroup motions*
- New GSRs/Alternate
 - New Alternate GSR for NA at Noon
 - New alternate GSR for Freedom Through Recovery
- Distribution of Service Delivery Ad Hoc survey
 - **This is one step in prioritizing and planning services. All members in the Capital Area are encouraged to participate in the survey, found here: <https://forms.gle/sr99xqTejYK8ayYYA>**
 - **GSRs received hardcopies of the survey at the ASC**
 - **Participation should take approximately 12 minutes!**
 - **Photos/scans of completed surveys can be emailed to admin@capitalareancna.com**
 - **Alternatively, they can be texted to 919-627-7607**
 - **Results as of 4/14/2024 may be found in these minutes, with a blank survey to reference what the full questions/responses were!**
- Area Chair discussing receiving reports from multiple homegroups of a member causing disruptions at meetings in the area
 - Violent and Disruptive Behavior pamphlet and bringing attention to certain passages
 - Clarification that this pamphlet is a service pamphlet (not to be read during NA recovery meetings)
 - Peace in the AM reported inappropriate sexual touching during the meeting by an individual and a separate incident in the same day
 - Another member highlighted a separate incident with the same individual that involved removing clothing, taking meeting format/paper out of the hands of the chair
 - Another homegroup's GSR shared that the same individual came to their workplace
 - Another homegroup's GSR shared that this individual is also trespassed from their church
 - One member shares concerns about the extent to which the law is helpful in this context
 - Other individuals share this is a limited view and the law is still applicable even with limitations
 - Recommendation to not escalate with individuals
 - Recommendation to review the Violent and Disruptive Behavior pamphlet at the homegroup level
 - **Again, not to be read during NA recovery meetings, as it is a service pamphlet**
 - Member recommends going to church administrators if there are concerns
 - *Throughout most of this discussion, the individual being discussed was not named. A member, who was trespassed from the ASC's in-person meeting location and attended virtually, denied the "allegations" about them. The individual refused to abide by being recognized before speaking and verbally attacked other members and GSRs asked they be removed from the meeting. The member was removed and business continued.*
 - Another member identified behavior at meetings of "what would be considered sexual harassment in a workplace setting," but not about particular individual(s)
 - Encouraging individuals to step up for one another if you witness someone not treating someone else appropriately in a recovery setting.

- **Old Business**

- Approval of CASC minutes from previous month
 - Concern from a homegroup: Minutes received late
 - Response from RCM: Apologizes, recommend tabling any motions that homegroups do not feel like they should vote on today
 - Suggestion to table the approval of minutes until May
- Monthly Potluck and Home Group Swap (**Sign-up sheets are going around**)
 - Serenity in the Morning would like to host a potluck in June if it's still happening
- Vote on Motions sent to home groups.
 - Convention Subcommittee – 2025 Convention and one-day event in 2024 (**retracted; separate overlapping motion already passed in March 2024**)
 - Convention Subcommittee – Current body service year extensions (see attached)
 - Clarification: This just deals with the positions on the convention subcommittee
 - Clarification: Do we have to make a new motion to have Area *not* vote for convention positions next year?

- Response: No; Area voting for the convention positions was for this current service year only when it passed
 - This motion went back to homegroups so GSR-only vote.
 - **Vote:** Yes: 11, No: 6, Abstain: 2
 - **Motion Passed**
 - Motion (tabled from March 2024): End the monthly celebration clean time pot luck (see attached)
 - Comment from submitting homegroup: Not financially responsible
 - Comment: Wouldn't have had the chance to taste different foods
 - Comment: When this event was brought up, it was brought up to find ways to connect with one another and it doesn't have to stay low support
 - Comment: We can find other ways to connect and be pragmatic about it not being supported so far and we shouldn't keep doing the same thing for different results
 - **Vote:** Yes: 11, No: 2, Abstain: 7
 - **Motion Passed**
 - Motion (referred to subcommittee in March 2024): Extension of ASC via GSR vote
 - **Recommended language in Policy Subcommittee report:**
 - The CASC shall meet the first Sunday of each month (or on any date set by the CASC) from 2 PM-4 PM. The meeting can be extended by a simple majority vote of GSRs in thirty-minute increments up to an hour. The CASC shall select the site and times of the CASC meeting by a simple majority vote and announce any change in location or time as far in advance as possible.
 - Suggest that GSRs make simple motion in advance of meeting end time whether to extend, and it be a GSR-only vote.
 - **Motion Vote:** Yes: 14, No: 3, Abstain: 1
 - **Motion Passed**
 - Vote on Resumes
 - Vote on Resume sent to home groups: **Convention Subcommittee Secretary** – Aaliyah W
 - Vice Chair: Would like to not entertain the resume, given the prior discussion
 - GSRs *would* like to follow normal procedure regardless
 - **Vote taken; resume did not pass**
- **New Business**
 - Last call for new motions, and service resumes
 - Motion:
 - Digital Mailbox (attached w/ recommendations from Secretary)
 - Concern about who has access; maybe the Area discusses how to protect access especially when Convention subcommittee uses it to receive funds/registrations/etc.
 - Response: We can definitely do this, and being *allowed* to have more people have access does not mean we need to
 - Member question: Is there a way to track who picked up which items?
 - Response: Not specifically aware of this, but largely tracked by the limited number of people with access. There are ways to notify more than one person of what mail *has* arrived
 - Member summary: For half the money, having expanded access and hours and saves trips, is this correct?
 - Response: Yes
 - **Vote:** Yes: 15, No: 1, Abstain: 0
 - **Motion Passed**
 - Motion, disbanding Town Hall Ad Hoc
 - Asked if the GSR submitting the motion would like to speak about it
 - GSR states they had no knowledge of the motion and someone else must have submitted it with his name on it
 - Policy Subcommittee Chair: Suggesting motion is out of order (
 - There is no town hall ad hoc, town halls were a GSR decision
 - Food at town halls is potluck
 - Last town hall meeting was informational; the service delivery ad hoc isn't making decisions without GSRs and is reporting monthly to the area
 - *Request to have them table til next month and work out the motion inaccuracies*

- Clarity: GSRs are in charge of what the ad hoc does;
 - *Question:* Are GSRs deciding about town halls?
 - Yes
 - Member comment: *Ad hoc done a great job of synthesizing information*
 - Member comment: Would like to rebrand "town hall" to a different name due to the name usually referring to a governmental/community meeting
 - Next town hall is *May 11th*
 - Vice Chair: maybe at this one we can brainstorm names
 - **Clarification: motion has been withdrawn, reached back out to homegroup to follow up**
- **Extending meeting Vote:**
 - Yes: 9; No: 3; Abstain: 0
 - **Meeting extended til 4:30**
- Resumes:
 - Convention Subcommittee Programming Chair: Donna N.
 - Member shares: Grown in her recovery, worked well with others
 - **Question: Any reasons why you wouldn't be able to fulfill this commitment?**
 - If I'm committed to something, follow through with that commitment
 - **Question:** In the past, the programming chair would assemble evenings where the committee would listen to the speaker options.
 - Would be open to this idea of listening parties as well as hearing from others if they have an idea of who a good speaker would be
 - Question: How would you guide the committee when there is not agreement?
 - We can either agree or disagree,
 - Question: Have you worked the 12 traditions with a sponsor?
 - Yes
 - H&I Chair – Chris M.
 - *Chris was unaware he would be asked questions when submitting his resume, so he was not present at this time.*
 - Member: Observed Chris stepping up to serve already
 - Member: Chris is already aware that the position will expire in June because of the new service year;
 - He is aware he's just running to complete the same term; would run again in June
 - Will take questions next month when he is present
- **Motion:** Ad hoc subcommittee based on plan of action for a standard plan of action the Capital Area recommends if there is a member that is disruptive
 - Comment: Leaving it up to facilities for how they would address it is not efficient
 - Response: If the ad hoc committee on disruptive behavior existed, it would still be on each individual homegroup to decide how to respond
 - Question to submitting GSR: Has your homegroup reviewed the pamphlet already (Violent and Disruptive Behavior + Mental Health IP)
 - Suggestion: Table this motion until the homegroup can review these together
 - Clarification: Would like to see the Capital Area has some suggested guidelines that would serve as a resource for homegroups for when members become disrupted
 - Comment: These already exist, the pamphlets are already written by the World Board and document recommendations; suggests perhaps groups haven't actually reviewed these
 - **Vote:** Yes: 11; No: 3; Abstain: 5
 - **Motion passes**
- **Motion: Convention consulting:**
 - Comment from submitting homegroup: There are other areas that execute effective, beautiful conventions. Ask for a training day to have other experienced convention planners to help the Capital Area Convention Subcommittee map out best practices (to get vendors, entertainers, etc.)
 - Take this to a plan of action, measurable milestones, etc.
 - Member comment: What might be more appropriate is an orientation for the subcommittee members themselves.
 - An orientation at the beginning of the year, we have a chance to reset this year. Can still have experienced members come in to assist
 - Comment: Have had successful conventions previously
 - *Vote note taken before meeting extension vote*
- **Extension until 5:00PM vote:**

○ Yes: 6; No: 9; Abstain: 0

■ **Vote failed, meeting ends here at 4:30**

● One motion not concluded; one motion not heard; no reports heard

● Closing Prayer

Greetings Capital Area GSR's

Thank you for allowing the Convention Subcommittee be of service to our area. The Convention Committee have been made aware of some concerns and have come together to address them. We the body would like to respond by letting you know that the solutions we have come to believe would be best is as follows:

1. All Subcommittee Chairs have submitted Financial report to Convention Chairperson of every event held since beginning of term.
2. The body requested and voted to have an professional (special Worker) conduct an audit of Convention Bank Account.
3. In the spirit of Unity for our Capital Area the Convention we would like to have a 1 Day "Unite In The Park Event where all Homegroups participate with an activity.
4. Allow current subcommittee chairs (if they want to) continue to serve in their positions until 2025 Convention is over, unless their there are motions submitted to remove due to not fulfilling duties stated in position.
5. Last but not least All Convention Committee funds remain in Convention account and be used soley for Convention activities to ensure a 2025 Convention

Motion made by *

CASC Secretary

Motion seconded by (if seconded before being submitted)

Motion reads as follows *

Replace CASC Post Office Box from USPS with a "digital" mailbox in the local area. More details provided in separate document.

Intent: *

Adopt more cost-effective mail solution that: 1) is more easily accessible (not limited to 9-5 Mon-Fri), 2) eliminates need to travel if mailbox is empty, and 3) expands who can access (as appropriate).

This content is neither created nor endorsed by Google.

Digital Mailbox Recommendations

“Digital” mailboxes are **real** mailboxes, but instead of being hosted by the Post Office, they are hosted at other businesses (e.g., a local Staples store [no affiliation]).

Primary Advantages of Current System (P.O. Box)

- Easily recognizable service

Primary Disadvantages of Current System (P.O. Box)

- Limited hours of access (e.g., 9-5, Monday-Friday)
- Limited individuals with access (e.g., 1 key)
- Need to go in-person to find out if you have mail
- Total cost (\$413/year in 2023)

Primary Advantages of Digital Mailboxes:

- Receive notifications when new mail has arrived; removes need to check an empty mailbox
- Expanded pickup hours (i.e., not limited to 9-5 M-F of Post Office)
- Receive picture of the outside of every mail item (scanning for additional cost)
- More individuals capable of having access
- Saves money (with recommended vendor/options, estimated at ~\$179.88* a year)
 - **Final monthly cost dependent on additional services requested*

Primary Disadvantage(s) of Digital Mailboxes:

- Unlikely to be accepted by banks as a business address... but banks usually don't accept P.O. Boxes either, so this is no different than our current system of using a personal address as the registered address

Specific Recommendations

- Choose the location at 3064 Wake Forest Road in Raleigh
 - *Different locations cost different amounts*
 - *Most central location available for the cheapest price (win-win)*
 - *This location is a Staples store (no affiliation to NA)*
 - *Open 8A-9P M-F; 9A-9P Sat; 11A-6P Sun*

(Continued on next page)

- Choose “Virtual Business” over “Virtual Personal”
 - *Allows mail to be addressed directly to 1 business name (e.g., Capital Area NA) and 6 individual recipients per address*
- Choose the “Business Green” plan
 - *Allows 30 mail items per month (does not include junk mail, which can be discarded for free)*
 - *Additional items cost \$0.35 each; would have to have a total of **45** mail items to “lose money” on not choosing higher-cost plan*
 - *No exact numbers, but our mailbox averages 0-5 pieces of mail per month*
- Choose monthly payment to start while we evaluate the service (i.e., don’t lock in to a full year)
 - *\$14.99 a month (totaling \$179.88 a year) versus \$149 a year if purchased annually*
 - *Consider annual savings in the future*
 - *Monthly costs *may* be higher than above, depending on added services (e.g., mail opening and scanning, mail forwarding, faxes)*
 - *Personal thoughts: Not particularly necessary most of the time*

Please take time to review these recommendations with your homegroups. I will be available to answer any questions via email or at the April CASC.

Kind Regards,

Jason S.

Secretary

Motion reads as follows *

We recommend that an event be held as a training session for our convention subcommittee. We recommend that we invite experienced convention leaders from individuals in our area that have executed successful and profitable conventions, as well as NA convention planners from other areas (i.e., Durham, Winston-Salem, Charlotte, Concord, Ocean City, etc.). To share with us "best practices" of how they have been able to plan, execute, and measure the success and effectiveness of our convention program.

Intent: *

To allow us to practice the principles of humility, open-mindedness, and willingness to learn best practices from those who have demonstrated they have the system to execute an effective convention.

Dan M-GSR

Motion reads as follows *

We have created a motion to ask the Capital Area service committee to disband the Ad Hoc/Town Hall committee!
 Our 3rd concept states NA homegroups delegate service structures; not a few addicts!
 Our 5th concept states there should be accountability for the task.
 We don't agree with the Ad Hoc committee planning/making decisions for our area, spending 7th tradition for rent of a facility to meet, food etc.

Intent: *

Our 1st concept states NA home groups create/coordinate a structure to maintain services on behalf of our groups, ie provide literature!
 Our 2nd concept states NA groups have the ultimate authority over service structures that have been created!
 Our home group is asking capital area to disband the service structure.

CASC Chairperson: Monthly Report

Richard J. / April 7, 2024

Good Afternoon:

Past month's activities:

- 1) I attended the mid-month executive body meeting where we discussed upcoming town halls and ongoing concerns for the capital area.
- 2) Attended the March 18th meeting to finalize plans for the Town Hall.
- 3) Met with the representative of the Christ the King Church and signed the contract about using their site for this month's Town Hall.
- 4) Attended the March 23rd Town Hall.
- 5) Attended the March 23rd Convention Subcommittee Sponsorship Banquet.
- 6) Met with the Pastor and a staff member of FUMC for a in person meeting to address issues that have occurred at some of our meetings.

- 7) If there is anyone who is available/interested in serving on the ASC, please submit your service resumes and pass this invite on to others seeking to be in service.

Thank you for your confidence in choosing to allow me to serve as CASC Chairperson.

PRE-READ REPORT - FINAL REPORT WILL BE IN APR. ASC MINUTES

Dear Capital Area NA,

RCM service

- I've received minutes from the Jan. 27, 2024 RSC meeting and they're attached to this report. Here are some highlights:
 - Closing RSC balance was \$5,000 (prudent reserve amount), after sending \$3,084.62 to NAWS and \$1,028.20 to Southeast Zonal Forum service body (SEZF).
 - Capital Area Service Committee donations to the NC Region NA for the last quarter, totalling \$407.89, are recorded in the RSC treasurer's report.
 - There are no regional motions for Capital Area NA to vote on this quarter.
 - The RSC voted to cover costs associated with sending our Regional Delegate Jacob S. to the North Eastern States Service Symposium of NA (NESSNA). More info about this service symposium can be found here: <https://nessna.org/what-is-nessna/>.
 - The RSC voted in Kristen F. for Public Relations (PR) subcommittee chairperson. It's been awhile since this key position was filled, so this is great news.
 - The campout ad hoc subcommittee gave details of the upcoming May campout at Grandfather Mountain. You can find details and a flier at <https://ncregion-na.org/events/>, and I've also attached the flier to this report.
 - Highlights from our Delegate Team report below; [click here for the full report](#).
 - The [H&I Basics project](#) is seeking input with a survey at <na.org/survey>.
 - Part three of the new [NAWS Strategic Planning](#) process is taking place at the zonal forums, and we will be participating.
 - A version of the new [Meeting Finder](#) for na.org is available at <na.org/phoneweb>, and it will be available on the main website soon.
 - NAWS regularly holds [webinars](#), and there is an H&I Webinar on March 23 at 2pm EST. Visit <na.org/webinar> for more details.
 - The [audio version](#) of the Basic Text is now available in Greek.
 - The World Convention of NA (WCNA), taking place August 29 through September 1 this year in Washington DC, is now open for registration - visit <na.org/wcna> for info.
 - Three of the issue discussion topics for this cycle have workshop material posted on the NAWS website at <na.org/idt>. These three are Gender neutral and inclusive language, dealing with disruptive and predatory behavior, and DRT/MAT as it relates to NA.
 - The RSC's new virtual mailbox is working great.
- The next RSC meeting will happen on schedule, on Apr. 27, 2024.
 - The July RSC meeting will be held Aug. 3, 2024 so it doesn't conflict with the Southeast Zonal Forum service body meeting.
 - All RSC meetings are now planned to be hybrid. Event info will be posted at <https://ncregion-na.org/events/>.
- My term expires this Jun. - only three months from now. If Capital Area wants to continue to be represented at the RSC then we need a nomination or resume. I'm attaching CASC policy manual sections 2.04(g) and 2.04(h) which cover the related trusted servant roles. And I'm always happy to help anyone learn more about any ASC trusted servant role, including RCM.

- Here's some interesting stats about our area home groups that I'll include in my next report to the RSC.

44 CT. of home groups
70 CT. of meetings per week
1.6 AVG. number of meetings per home group per week
36 CT. of home groups participating in ASC *
82% PCT. of home groups participating in ASC *†
63% AVG. ASC attendance of participating home groups ‡
51% AVG. ASC attendance of all home groups

* attended ASC ≥1 time during 2023-2024 service year

† Goal from May 2023 Town Hall: 75%

‡ Goal from May 2023 Town Hall: 75%

Other service

- I participated in the monthly "admin body meeting". For anyone that is unaware, CASC policy section 5.01(d) explains: ***If the need should arise, the officers and Subcommittee Chairs shall meet at an agreed upon time before the next CASC meeting to keep the lines of communication open and keep the area business running smoothly. Attendance is not mandatory, and no motions can be made or voted on outside the presence of the GSR's. The location may be selected on a month-to-month basis.*** Basically all we ever talk about is how we can better serve all Capital Area home groups, and that's no secret. I'm proud of the current as well as the last two admin bodies for meeting consistently overall in this way.
- I also serve on the Service Delivery Ad Hoc, but that report will be given by the chairperson of that ad hoc subcommittee Jason S.
- In support of Capital Area NA home groups who have asked for another convention, from July 2023 until the Feb. 2024 ASC meeting I served as a non-elected member of the Convention Subcommittee. I decided to stop after it decided last month that it was okay to meet behind closed doors (which it has since apologized for), and a *month-after-month-after-month pattern* of violations of CASC policy, their own guidelines, resistance to suggestions, questions and concerns from GSRs and other members of the ASC, double-talk and backstabbing, bullying, and more. I'm only human and I've reached my limit. I do really appreciate the efforts of a few subcommittee members who participate in good faith and the true spirit of service - it's too bad there aren't more serving like they do on that subcommittee. I'm sharing this with the ASC in the spirit of Tradition Nine.

If you or your home groups have any questions or concerns about this report or anything RSC related, don't hesitate to reach out to me directly using the contact info in the secretary's email. Don't wait until the next CASC monthly meeting.

Capital Area Service Committee Policy Manual section 2.04

<https://capitalareancna.com/area-service-committee>

(g) Regional Committee Member (RCM)

Commitment: 1 year

Term: 1 year

Suggested minimum clean-time: 3 years

A RCM is to an CASC what a GSR is to a group. As the representative of the area, the RCM's speak for the members and groups within the CASC. The primary responsibility of an RCM is to work for the good of NA, providing two-way communication between the Area and the rest of NA, particularly with neighboring CASC's. They represent the group conscience of an CASC at a regional level and provide the area with the agenda for the RSC at least ten days before the RSC meets. An RCM attends all RSC meetings and takes part in any decisions which affect the region, speaking as the voice of the CASC's group conscience. An RCM may serve on one or more of its CASC and RSC Subcommittees, but not as a Chairperson.

In addition to the regular qualifications for GSR's it is recommended that nominees to the post of RCM also have previous service experience, and the willingness to give the time and resources necessary for the job.

The RCM may receive an advance for anticipated expenses related to performing his or her duties – see Section 2.04 (e)(v). Additionally, the RCM will biannually hold a workshop(s) for the express purpose of covering the Conference Agenda Report (CAR) to familiarize our GSR's with motions in the report and to ease the voting process.

In the absence of an Alternate RCM, the RCM shall perform the duties of the Alternate RCM. It is suggested that the RCM has first served as an Alternate RCM, prior to becoming RCM.

(h) Alternate Regional Committee Member (Alternate RCM)

Commitment: 2 years

Term: 1 year

Suggested minimum clean-time: 2 years

While becoming orientated to the job of RCM, including attending all CASC and RSC meetings, the Alternate RCM also fills in for the RCM if he or she is absent.

Like the RCM, it is recommended that the Alternate RCM have previous service experience, and the willingness to give the time and resources necessary for the job.

The Alternate RCM will move up automatically unless the CASC allows a challenge. See Section 1.04 (b)(ii), hence this service position is considered a 2-year commitment.

Treasurer Report For March 2024

Hello Everyone, thank you for allowing me to continue to serve as Treasurer. I greatly appreciate the trust that has been put into me to serve and know that it means a great deal to me. I know there has been a great deal going on and I am appreciative of the trusted servants that have continued to serve and strive for transparency and straightforwardness. I try my best to hold myself to that standard as well.

Let's get to the business at hand. Contributions to world and region were made on 3/29/24, there are no pending checks/withdrawals/deposits that need to be cleared, and balance is at prudent reserve at the time of writing this report. The town did not require any financial contribution from the area and was made possible by member contributions. Rent is paid at all facilities we have frequented until March which includes functions at Christ the King and at Fairmount Methodist Church for the monthly ASC meeting. Thank you again for allowing me to serve.

- Starting Balance 03/01/24: \$1910.90
- Homegroup Contributions February 2024: \$714.51 (Contributions collected in the form of Cash, Paypal, and Cashapp Transactions)
- Donation to Region: \$302.12 (Not Reflected in 3/29/24 Bank Statement)
- Donation to World Services: \$201.41 (Not Reflected in 3/29/24 Bank Statement)
- Expenses: \$359.88
- Ending Balance: \$1800.00 (As of 3/29/24) (After Donations to Region and World)

Any questions can be sent to capitalareatreasurerjft@gmail.com and I will do my best to answer them as promptly as possible. Thank you for allowing me to serve.

- Liam O.

April 2024 Secretary Report

Hello Capital Area,

This month's Secretary report contains a summary of actions taken in March.

- Coordinated with Web Admin and RCM to capture March CASC minutes and other related new documents in my absence during unavoidable work travel – minutes coming soon.
- Attended the mid-month CASC admin body meeting
- Coordinated the Service Delivery ad-hoc meeting (see ad hoc report for additional information)
- Assisted facilitation of the March Town Hall – Service Delivery presentation
- **Now:** Presenting an April 2024 motion for a “digital” Area mailbox – I submitted information about this in March which is included again now

Concerns Submitted Before Area

One suggestion for improving the efficiency of time spent at Area is for individuals to submit their concerns ahead of time. This is not **required** at this time, but I encourage you to give it a try and email them to secretary@capitalareancna.com ahead of Area (as soon as possible)! This would help to better plan our time and be less reactionary.

Mailbox Alternatives

I have investigated alternatives to having our mailbox as a Post Office Box and have a proposed solution. I have submitted a motion for the April 2024, and I sent out additional information in March. This information is included again this month attached to the motion.

April 2024 Convention Subcommittee Report

Hi Family,

Thanks for allowing me to serve as your Convention Chair. This has been a very productive month for the convention committee raising funds for our 2025 Convention. There were two (2) successful fundraisers this month and we the committee are honored to report that both had good support. Needless to say, our Sponsorship dinner was more than we expected. However, we were more than pleased to accommodate our area and no addict/member was turned away from the event. Merchandise sub-committee was able to get merchandise and sold (\$350.00) with sales. Registration sub-committee didn't set up for registration and therefore no pre-registrations were sold at either event this month. There was a total deposit in the Convention bank account of \$1326.00 that was generated from both events.

As I reviewed the Convention Events Closure Worksheets for both the 3-1-24 and 3-23-24 along with the Convention Subcommittee Income and Expense Report, I need more clarification before I make a final report to the ASC, therefore I will be getting a monthly bank statement from the bank in person and I will have a more through report at the ASC meeting in April.

The Policy subcommittee continue to reach out to the other subcommittee chairs/alt chairs for any and all updates or corrections they have found that need to be edited or updated for ongoing convention policy changes. I have submitted a text to all the subcommittee chairs seeking information to submit in this report, I am reporting what has been given to me. I am saddened to report that we have lost two more committee chairs, Jessie our programming chair and Jenn our hotel liasion both submitted resignations. They both were a great access and will be missed dearly from the body. They both stated that with the convention now being moved to 2025, they do not wish to continue to serve into another year. The Convention alt.chair has expressed a desire to move into the program chair position and stated she is submitting a resume for programming chair in April to the ASC. I haven't received any new information from the Arts and Graphic chair, but alt. Arts and Graphics chair reached out to me with a few concerns that will be discussed at the Convention Subcommittee meeting in April. This is about all I have for this report. If there is any new information after this report is submitted it will be added at ASC as well.

In Loving Service

Kay W. /Conv.Chair

Secretary note: Reports were not covered at April ASC (meeting ended), so updated financials were not presented. Income and expenses + fundraiser closeout sheets from October 2023 - February 2024 are attached below, but March is not included.

H&I; March 4, 2024

Good afternoon CASC,

Unfortunately, With much regret I , Toi R. your H&I chairperson, Will have to resign from this position. My priorities have changed due to family situations.

Thank you CASC and H&I subcommittee for allowing me to serve as your chairperson. My resignation starts immediately.

Thank you.

Toi Rutherford

Capital Area Service Committee

Subcommittee: Policy/ Craig R Chair, James L Alt Chair

Date: April 7, 2024

Thank you for placing your trust in us and allowing us to serve you. We look forward to carrying out our responsibilities and searching for opportunities to improve how your group's conscience is honored and how business is conducted during the CASC meeting.

Activities

- Developed policy language relative to the ASC meeting in response to the tabled motion from the March ASC. The suggested additional language is highlighted:
 - The CASC shall meet the first Sunday of each month (or on any date set by the CASC) from 2 PM-4 PM. The meeting can be extended by a simple majority vote of GSRs in thirty-minute increments up to an hour. The CASC shall select the site and times of the CASC meeting by a simple majority vote and announce any change in location or time as far in advance as possible.

Upcoming Activities

- Develop a set of standard questions for nominees for ASC positions to help provide GSRs with better information in their selection process and eliminate questions that have no relevance to a person's qualifications. This is in the spirit of the 4th Concept
- Create a set of standard questions for groups joining the area to help reduce the discrepancies and variances in questions when making those decisions
- Develop a change in who votes during elections from an all vote to only GSRs. The thought behind this change is that all resumes go back to home groups presently. And if we follow that, all motions that go back, are GSR only vote. But moreover, subcommittee chairs and officers are elected to serve the groups
- Continue collaboration with subcommittees in reviewing their internal guidelines to be consistent with CASC policy and/or improvements

Capital Area Service Committee

The March 2024 town hall presentation is attached, which includes results until the town hall. The results until 4/14/2024 are included after that. A blank survey is provided to reference any text that was cut off in the previous results.

Service Delivery Ad-Hoc / Jason S, Sebastian D, Tammy Y, Craig R

Date: April 7, 2024

Issue: Area structure is rigid / unable to bend; “this is how we’ve always done it”

Goal: An area service structure that provides flexible service delivery and focuses on outcomes rather than process

We are encouraging you to get involved to help drive the conversations and provide your voice to help improve our services

Activities

- Met to discuss and plan for March Quarterly Town Hall. We presented survey results to date and encouraged members that were present to complete survey while there. Our presentation is included with this report
- We have 23 responses as of 3/31/24; hard copies are available at this ASC; *preliminary* results included with report
- Opportunity to complete survey will close this month (likely April 20th, 2024)
- We are available to answer questions at your homegroup as needed

Upcoming Activities

- Review results from survey
- Determine the identified priorities
- Prepare to present final data from survey at May ASC for tentative support from GSRs for building a budget and delivery of services based on prioritization
- Begin planning for May Town Hall

What Services are Important to You?

Annual planning & service delivery model

Quarterly Town Hall

Service Delivery Adhoc

How did we get here?

May 2023 Capital Area Annual Service Planning Day

Issue: Area structure is rigid / unable to bend; “this is how we’ve always done it”

Goal: An area service structure that provides flexible service delivery and focuses on outcomes rather than process

Approaches:

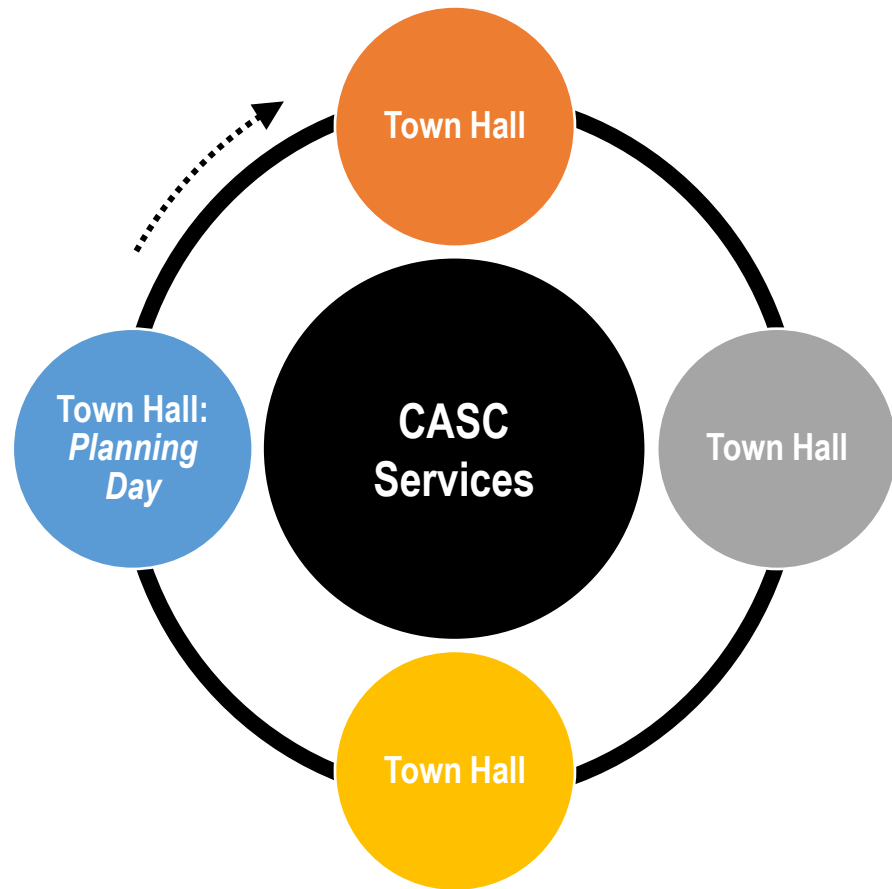

- ✓ Establish an annual planning process that includes prioritization and evaluation of services and development of an annual budget
- ✓ Streamline subcommittees and incorporate task teams
- ✓ Establish Consensus Based Decision Making
- ✓ Streamline the CASC policy to match actual practices and move to an annual policy

Service Delivery Ad Hoc Subcommittee

- Service Delivery Ad Hoc Subcommittee formed August 2023 as a result of the May 2023 Service Planning Day
- Subcommittee meets once a month – all are welcome
- Research into how other NA service bodies operate, discussion on how Capital Area NA can benefit from those examples

Example: Flexible Service Model Structure

Annual Cycle

Structure

“Planning for NA services asks us to think ahead, take time to prepare, and develop action plans to reach identified goals.”

Planning Basics

Key benefits

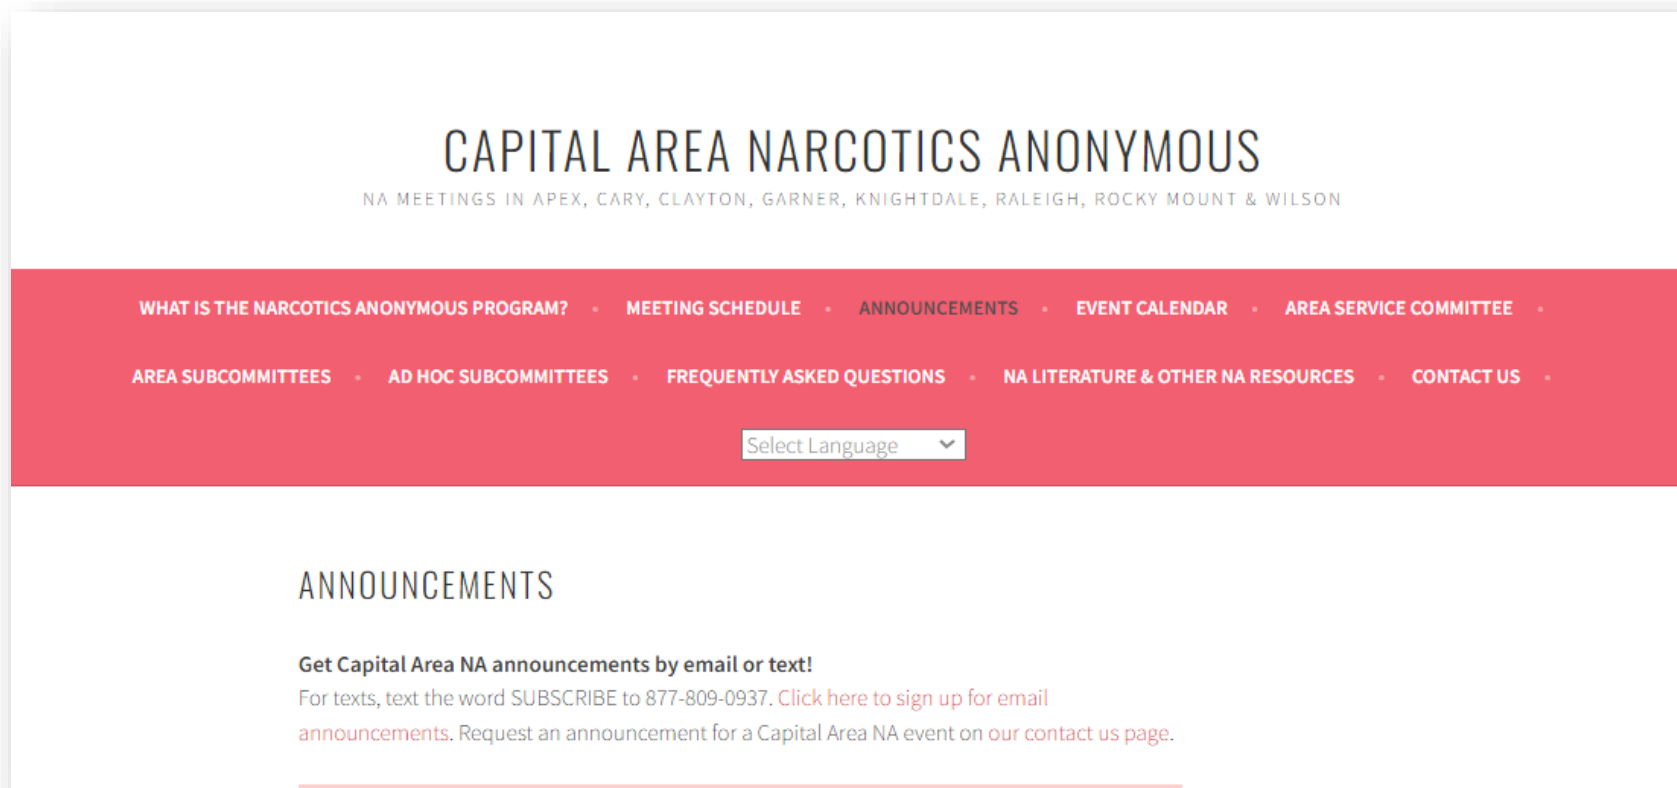

- Flexible / built-in method for identifying, prioritizing, evaluating needed services
- Improved communication, collaboration and accountability between members, groups and ASC
- Trusted servants work in harmony / no more ‘marking territory’
- Everyone understands what resources are needed and leverage those resources
- Simplified structure and process is more efficient
- Shared services are utilized and applied consistently
- Encourages ‘trying on’ new roles

Countdown to a new ASC

- **Mar TH**
 - Present survey results
 - Review/refine prioritization and DRAFT strawman budget
 - What do we do?
 - What do we not do?
- **April ASC**
 - Present TH results
 - GSRs take the survey
 - Ask GSRs to bring back to home groups
 - Make ourselves available to present at HG business meetings
 - Stop collecting survey responses
- **May ASC**
 - Re-present prioritization based on full data set from survey
 - Re-present strawman budget reallocated based on above prioritization
 - Present May TH as a planning day
 - Ask for GSRs to tentatively approve prioritization before effort is detailed planning
 - Are we on the right track?
 - Are there any showstoppers?
 - What advantages do you see to this?
- **May TH**
 - Detailed planning day
 - Execution plans
 - Resource allocations
 - Budgets
- **June ASC**
 - Present detailed plans / vote
 - Elections

Homework assignment

- Tell everyone you know about what you learned
- Tell everyone you know to take the survey
- Tell everyone you know to attend the May Town Hall

Service committees are directly responsible to those they serve.

Lets work together to find out what matters to us.

Did we miss anything?

7 responses

Instructions weren't super clear. Many things need to get done but that doesn't mean they are equally as important.

Nope.

Potentially

We have a great ASC. The website is amazing! Bravo to our web developers!

I can't think of anything else.

Excellent job!

No

SECTION C: Tell us a bit about you (optional).

How long have you been clean?

23 responses

What NA services have you been directly involved in, past and present?

24 responses

Tell us what you believe are the three *most vital services* CASC (including subcommittees) should provide.

23 responses

Supporting/Responding to group needs and challenges

Maintaining Area Website

Reaching people that don't know about NA through PR & H&I presentations

PR, H&I

PR, H&I, Admin

Public Relations (presentations to professionals and tabling events, etc), Website/Phone Line and H&I meetings

H&I, PR, Outreach

meeting list, phone line, H&I

Fellowship services ie. PR, HNI, outreach, phonenumber,

Meeting schedules, literature, website

H&I, PR, CASC Website

H&I, Meeting information contacts and cross group communication avenues.

CASC admin, H&I, Activities

Out reach , H&I , home group

1. Important information that impacts our area, rather good or bad. 2 H&I. 3. Convention, (Celebration of personal recovery).

gsr, h & I, area

PR/H&I with local institutions and potential members, fun event coordination, meeting list updates

Delivering the message to hospitalz and institutions, as well as to the public. These count as 2

3rd would be offering GSRs and other Trusted servants a structured and appropriately facilitated ASC meeting. It's important for our area to trust and have confidence in our admin body and their ability to keep the meeting grounded.

Effective Communications: Humble Coooperation amongst our trusted servants; Consistent Integrity and Selflessness as we execute our service work.

H & I, PR, Policy

Taking meetings into institutions. Supporting home groups (especially those struggling), maintaining phone lines

H&I, Activities, Literature

PR, H&I , and CASC ADMIN

Homegroup support, PR support, GSR orientation

h&i, pr, outreach

Tell us what you believe are the three *least* vital services CASC (including subcommittees) should provide.

Convention

Literature Sales

Activities

Convention, activities

CONVENTION, Outreach, Activities

Convention, Outreach

Convention, Literature sales, activities

Let me put it this way: When you ask someone coming back from a relapse 'what happened?', they never say 'I didn't get to enough conventions'.

convention, literature sales

PR, activities, convention

Literature sales (order from NAWS), Very long ASC meetings scares people away who don't want to give up their entire Sunday for NA politics

Literature, Convention, Outreach

n/a

Area Convention (we have SO many around us and ours is unhealthy to our community), literature sales (but we could have a budget for giveaways!), no third option

Everything CASC has to offer is vital so I'm not sure what you mean

All are vital

Convention, Activites, Literature

Convention is the only thing that really comes to mind

Policy

Conventions, potluck,

none

Tell us what one service provided by the CASC (including subcommittees) has been most valuable to your home group.
